Usage of Halal Certificate and Halal Logo / Mark:

PRIME C&I makes it clear to its clients that it owns exclusively its Certification Mark of Conformity as part of its certification system, along with PRIME C&I certificate, and its certification scheme and the right to use PRIME C&I Mark of Conformity is authorized only to the certified clients who signed the certification agreement and are approved for certification.

- PRIME C&I Certification Mark is granted to Products or services meeting the applicable standards or requirements. It should be very clear that the certification mark will be used exclusively on certified products, so no confusion should happen between certified and non-certified products. Furthermore, usage of certification mark should be handled with extra care and attention.
- PRIME C&I assures the controlled and accurate usage of its certification mark by continuous certification auditing, 1st and 2nd year annual surveillance and re-certification audit, besides Market monitoring, in a way that if any Intentional misuse of the mark happen by client necessary corrective actions will be taken on immediate basis.
- Client using PRIME C&I Mark of conformity shall fully comply with requirements for the use of 3rd party marks available in ISO/IEC 17030, and ISO Guide 23, and ISO guide 27.
- PRIME C&I Quality entitles its client to use Certification Mark on products covered by the appended license, as approved by PRIME C&I for such products in accordance with the standards.
- PRIME C&I entitles its client to use Certification Mark on products covered by the appended license, as approved by PRIME C&I for such products in accordance with the standards.
- The stipulations of the general rules for the applicable certification scheme and all applicable related standards shall apply to the use of Certification Mark.
- Once Certified, PRIME C&I agrees that that the related certified Facilities and products manufactured comply with the requirements of applicable standards specified in the license. Accordingly, it is a recognition and authorization for the applicant to mark the products covered by the license using PRIME C&I Certification Mark
- It is the applicant responsibility to assure that for every and each time the products (for which the license is granted) are available, They should be produced within the same specifications and quality similar to the conditions and samples tested by PRIME C&I and found to be in conformity with applicable standards.
- Printing of certification mark shall be performed within exactly the same presentation listed below (size, colors & dimensions), using materials assuring the accurate and sharp production of the mark.
