1. INTRODUCTION

Prime Certification & Inspection is an accredited certification body & MOIAT approved notified Body under its notification system mandated by UAE decree No (35) Of the year 2015 & UAE Cabinet Resolution No (36). Prime C&I is an authorized conformity assessment body by MOIAT that it is technically competent to perform the specific tasks of certification to MOIAT clients.

2. OBJECTIVE

This procedure describes the criteria implemented by Prime C&I as Notified Body of Emirates Authority of Standardization and Metrology (MOIAT) to assure that Perfumes intended for certification with MOIAT are complying the relevant mandatory schemes and applicable standards.

Furthermore, this document identifies the steps taken by Prime C&I Clients (manufacturers, traders, importers, retailers, business owners or any other client) to get their products/processes certified prior to its commercializing in the market and registered by through Prime C&I Quality Certificates Issuing Services as MOIAT Notified Body by issuing certificates of conformity in accordance with MOIAT Regulations

3. DEFINITIONS

MOIAT: Ministry of industry and advanced technology

PRIME C&I: PRIME Certification & Inspection.

Scheme: Certification system related to specified products, to which the same specified requirements, specific rules and procedures apply.

Certification: Third-party attestation related to products, processes, systems or persons.

Notified Body: A conformity assessment body designated by MOIAT to conduct conformity assessment process on products and processes in accordance with related schemes/standards/regulations mandated by MOIAT.

Certification Body: A conformity assessment body designated to conduct conformity assessment process on products and processes in accordance with related schemes/standards/regulations.

Conformity Certificate: Formal document issued by PRIME C&I as notified body under approval of MOIAT stating that certification is being granted for the product/process in accordance with applicable scheme/standards as per MOIAT Requirements.

4. RESPONSIBILITY

It is the responsibility of Prime C&I as MOIAT Notified Body to establish and maintain the appropriate system to satisfy both MOIAT and client's requirements in accordance to the notification system mandated by MOIAT.

It is the responsibility of MOIAT clients and Prime C&I clients to provide all needed requirements as per MOIAT Notification system to ensure their products compliance to the applicable schemes and standards.

This document is the property of **Prime Certification & Inspection**. No corrections / amendments are to be made except by the person authorized. The holder must have to return the document when he leaves the organization or when he has no further use for it.

5. SERVICE TYPE

As per Scheme owner rules, PRIME C&I certifies Perfumes and issues Certificate of conformity under:

- Emirates Conformity Assessment Scheme (ECAS): ECAS is a Product Certification Scheme being implemented by the (MOIAT) as mandated by the Federal Law 28 of 2001.
- Emirates Quality Mark (EQM): EQM is a mark of conformity granted to the products that can demonstrate compliance with the relevant UAE National Standards, Regional and/or International Standards and are manufactured by an organization implementing an effective Quality Management System to ensure continuous compliance. The process of achieving the license to use the Emirates Quality Mark involves a comprehensive evaluation of the product as well as the quality system used by the manufacturer in production through testing, inspection.
- Issuance of certificate of conformity by PRIME C&I as MOIAT's Notified Body assures the compliance of products/production process with the requirements of the approved schemes, standards and others specified in the technical regulation by Emirates Authority for Standardization and Metrology (MOIAT).

6. SCOPE

This document cover Perfumes products with below details of Sector, scope of certified products, products categories, and applicable type of certification:

Sector (Product Group)	Scope of Certification (Scope of Products)	Product Categories	Type of Certification
Chemical	Perfumes	1. Eau de Perfumes (EDP)	1. Product Certification – Type Approval (ECAS) 2. Product Certification – Full Compliance Assessment (EQM)
		2. Eau de Toilettes (EDT)	
		3. Cologne	
		4. Splashes	
		5. After shave	
		6. Fragrances	
		7. Concentrated oils	
		8. Concentrated Perfumes	
		9. Mixtures	

This scheme is applicable to all perfume products which are placed on the market or manufactured or imported or supplied or packaged or used within the country.

7. APPLICABLE SCHEME & STANDARDS

Applicable Scheme & Standard

Cabinet resolution no.5 for the year 2014 related to the Emirate Scheme on Controlling on Perfumes. If needed, Client refers to Prime C&I to identify applicable Scheme and Standards.

This document is the property of **Prime Certification & Inspection**. No corrections / amendments are to be made except by the person authorized. The holder must have to return the document when he leaves the organization or when he has no further use for it.

General Standards/Regulations

Requirements of Production, Packaging, Labelling, Storage & Transportation: The product shall be fit for human consumption and comply to related technical regulation for each type and it shall full fill the following requirements;

- GSO 1943 - Safety Requirements of Cosmetics and Personal Care Products
- UAE.S GSO ISO 22715 - Cosmetics -Packaging and Labeling
- UAE.S GSO 2093 - Glass containers Used for Cosmetics
- UAE.S GSO OIML R 87 - Quantity of Product in Prepackages
- UAE.S GSO 1047 :2001 - Cosmetic Products - Perfumery Products Based on Ethanol
- UAE.S GSO ISO 22716 - Cosmetics - Guidelines on Good Manufacturing Practices
- UAE.S GSO 2528 - Cosmetics products-Technical Regulation of Cosmetic and Personal care product claims.
- GSO 1810:2007 - Labeling for chemical products.

8. TESTING OF PERFUMERY PRODUCTS

Testing of Perfumes shall comply with relevant shall comply with relevant GSO/UAE.S - Technical Regulations for each relevant product.

Note: The validity of Test Reports for Perfumes is for 3 years.

9. CERTIFICATION REQUIREMENTS

Requirements vary depending on the scope of certified products; Details of the documents required for certification for the scope of Perfumery Products as per Scheme Owner (MOIAT) requirements are detailed as following:

9.1 Supportive Documents:

Product Certification

- Valid UAE Industry/Trade License.
- Application form (Online)
- Registration certificate for Industrial Measurement System (if available, otherwise provide declaration for getting IMS within 6 months).
- Test Report from accredited and recognized laboratory according to Gulf standard (UAE.S GSO 1943). Validity of Test Report is 3 years.
- Formula Declaration with ingredients and percentage issued by the manufacturer. Product composition & ingredients concentration report issued by the Manufacturer. The product(s) shall not contain any prohibited ingredients and the ingredients shall not exceed the allowable limits as stated in the IFRA standards.
- Declarations:
 - i. Declaration of the Safety of the Nanomaterials from the manufacturer
 - ii. Declaration from the factory that the Safety Report will be provided from the factory to the

concerned Authority.

- iii. Declaration of Liability.
- iv. Electronic Declaration of Conformity.
- For Imported Products: Free sale certificate on the manufacturer letterhead (Legalization is not mandatory and third-party certificate is accepted as well).
- Representative artwork, Label of the product according to Gulf standard, UAE.S GSO 1943. Clear Photograph of original packaging of the product.
- Certificate for GMP implementation. Use of Good Manufacturing Practice as per UAE.S GSO ISO 22716 or any other GMP approved by MOIAT.
- Certificate of Analysis (In-House) for each product.
- Test Report for Glass containers as per UAE.S/GSO 2093 from the manufacturer. (If available).
- Certificate for Organic / Halal/ or other claims. (If Required).
- Certificate of origin.
- Copy of Current / expired Product certification certificate / document (if available)

9.2 Application for Certification (Application Form):

Application to be filled by the client will contain all the necessary information needed by PRIME C&I conducting the certification Process, such important information is:

- Type of Product to be certified: Product/facility (Process) to identify the related scheme implemented by MOIAT
- Relevant standard/ or normative documents clients is seeking certification for.
- General information: Applicant Business activities & related business facilities & relationship between their facilities, in relevance to the certification scheme applied for information about outsourced Processes relevant to Product conformity.
- Any other information needed related to certification requirements.

9.3 Legal Agreements

By signing the application form, the applicant and the manufacturer agrees to comply with these General Rules and with the Specific Product Standard for the product covered by;

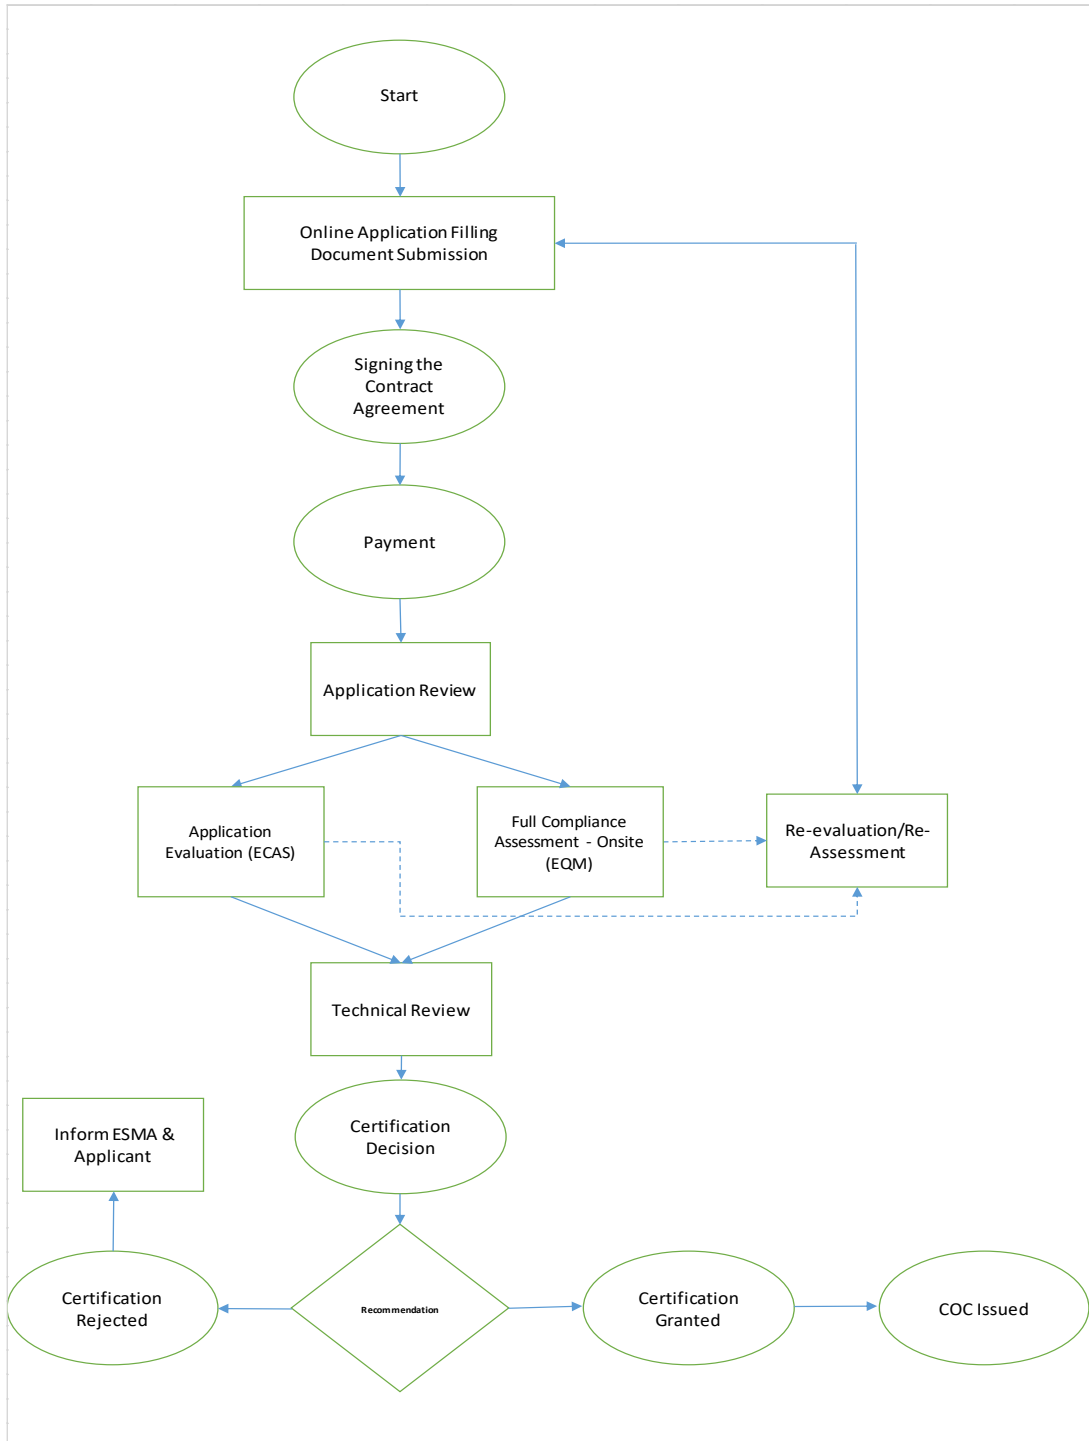

- Certification Agreement:
- Non-Disclosure Agreement

9.4 Fees as detailed in Certification Agreement.

This document is the property of **Prime Certification & Inspection**. No corrections / amendments are to be made except by the person authorized. The holder must have to return the document when he leaves the organization or when he has no further use for it.

Doc ref: PCI-PCS-11	Issue: 02	Revision: 00	Date: 01/04/2019	Page 7 of 11
Prepared by	Technical Manager (TM)	Approved by	Certification Manager (CM)	

10.1 Preparatory Steps:

- Application Form shall be submitted by applicant to PRIME C&I, submission can be done via PRIME C&I's affordable communication methods (mail, emails, hard copy, website, E-System).
- Sales and Marketing Executive/Administrative assistant will review it to check documents availability on a primary basis.
- A quotation will be sent to applicant by Head of Sales and Marketing; containing the scope of certification and fees related to each step of the certification process.
- Payment shall be done by applicant.

10.2 Application Review:

- Upon acceptance of quotation by client, he is requested to sign the General Conditions for Certification Services.
- Application along with related supportive documents will be received by PRIME C&I's Operation Manager/Technical Manager who shall assign one of PRIME C&I's technical team members (Lead Auditor/Auditor/Evaluator).

10.3 Application Evaluation

Auditor/Evaluator shall perform conformity assessment (Evaluation) steps related to the certification scheme.

Product Certification (ECAS)

- Detailed documents review for all the documents
- Document review includes the checkup for Test Reports parameters and results, done by 3rd party Laboratory according to the specific technical regulations and applicable standards.
- Evaluation of product the eligibility of the Product for certification to assure compliance according to applicable schemes and standards

Product Certification (EQM)

- Detailed documents review for all the documents
- Document review includes the check up for Test Reports parameters and results, done by 3rd party Laboratory according to the specific technical regulations and applicable standards.
- On-Site Audit to the facility where the product is being manufactured to assure the quality management system adopted in full compliance with applicable standards and technical regulations.
- Evaluation of product the eligibility of the Product for certification.

Note: No of Samples to be selected for testing is defined by the specific technical requirements and as per scheme owner (ESMS).

Note-2: All the applicable UAE schemes and standards are mentioned in Section-7 of this scheme.

This document is the property of **Prime Certification & Inspection**. No corrections / amendments are to be made except by the person authorized. The holder must have to return the document when he leaves the organization or when he has no further use for it.

	Prime Certification & Inspection			
	P.O Box 61670, Dubai, UAE Ph.: +971(4) 431 43 45 Fax: +971 (4) 431 49 33 Email: info@uaeprime.com Web: www.primegroup.ae

Prepared by	Technical Manager (TM)	Approved by	Certification Manager (CM)	

10.4 Evaluation Outcome Results:

- If evaluation is pending for missing or invalid documents or other needed information to complete evaluation; Additional Supportive Documents will be requested by Applicant.
- Evaluation includes Product Safety Verification through test reports provided on all safety Test parameters requested by applicable scheme/standards, test reports shall be issued by 3rd party accredited Laboratory sub-contracted according to the approved Standards and applicable technical requirements.
- If test reports are not complying with Standards; Lead Auditor/Auditor requests rectification of the non-complying aspects, then based on applicant confirmation of rectification, Collection of samples will be done to conduct the same laboratory tests again and for once.
- Evaluation will be repeated upon applicant re-submission of needed documents/information.
- Prime C&I Arabic translator shall review the product label and evidence of the reviewer signature shall be placed on the document.

10.5 Technical Review:

Technical Manager or a delegates appointed (not the same evaluator of application) will perform technical review to verify evaluator's recommendation by checking if assessment checklist content is found satisfactory along with complete review for the whole application and supportive documents, and then grant the final recommendation to the Certification Decision Committee.

10.6 Decision of Certification:

Upon submission of this information, and as per the result of documents review and completing product evaluation process,

- **Approval of Product certification:** Product evaluation shows full compliance with applicable schemes/standards:
 - Certification decision will be done by Decision Committee
 - Granting the issuance of Certificate of conformity, recognized by scheme owner (MOIAT)
 - Certified Products will be listed in Directory of certified clients for product certification.
- **Rejection of Product certification:** Product evaluation shows non-compliance with applicable schemes/standards, due to any reason preventing product from Certification:
 - Rejection decision will be done by Decision Committee
 - Prime C&I will inform client & MOIAT by an Official rejection statement (Letter of certification Status) by e-mail stating the reason of rejection.

10.7 Notes for clients

- For some scopes where it is required to have a quality system available, clients seeking to be certified for any of their (Products or services or facility/Process) to Schemes and applicable standards through PRIME C&I are requested to implement relevant Quality System including documentation in a way to meet all requirements of this standard and all relevant specific standards depending on the nature of service (certified Product& Process).

This document is the property of **Prime Certification & Inspection**. No corrections / amendments are to be made except by the person authorized. The holder must have to return the document when he leaves the organization or when he has no further use for it.

	Prime Certification & Inspection			
	P.O Box 61670, Dubai, UAE Ph.: +971(4) 431 43 45 Fax: +971 (4) 431 49 33 Email: info@uaeprime.com Web: www.primegroup.ae			
Title	Product Certification Scheme – Perfumes

Prepared by	Technical Manager (TM)	Approved by	Certification Manager (CM)	

- In case of a Client newly operating, and seeking to be certified, Client is required to demonstrate more than 3 months compliance against the standard immediately preceding the date of the Pre-Assessment performed by PRIME C&I. This will prove the efficacy and sustainability of the implemented system. After which PRIME C&I will be contacted to decide for required audits and Certification.
- Client seeking extension or renewal of Certification scope shall as well submit the self-assessment checklist specifying the extension or renewal of the Certification scope.
- Whenever applicable, Additional Certification requirements per Certification schemes: Legal & Quality documents (such as Client Quality Manual) and supportive documents (records and checklists used by applicant), are to be attached to the Self-Assessment Checklist requirements and submitted along with the application as well.

10.8 Renewal

Product Certification (ECAS)

- Validity of certificate is One year
- COC should be renewed 2 months prior expiry.

Product Certification (EQM)

- Validity of certificate is three years, subject to surveillance visits every year during the certification to assure maintenance of conformity.
- COC should be renewed 3 months' prior expiry.

11. UPLOADING OF CERTIFICATES IN MOIAT SYSTEM

As a Notified Body, it is the responsibility of Prime C&I to transfer the information to the scheme owner by uploading the Certificate of Conformity and other relevant documents in the scheme owner's (MOIAT) online portal. The steps after the Certification Decision (only when recommendation is approved) are as follows;

1. Upon receiving the approval of the Decision Committee, the file should be given back to the responsible Lead Auditor/Auditor.
2. The Lead Auditor/Auditor shall communicate with the Operation/Accounts Department to arrange for the payment in MOIAT portal.
3. When the payment is posted, the Lead Auditor/Auditor shall be able to retrieve the certificate no. and QR code from MOIAT portal.
4. The Lead Auditor/Auditor shall prepare the draft certificate along with correct and accurate information.
5. The draft certificate should be sent to the client for their confirmation. Once it is confirmed, final certificate shall be shared to the client.
6. The Technical Manager/Lead Auditor should then upload the certificate in MOIAT portal including the product list that should contain the necessary information such as model no., barcode, brand name, product description, country of origin, report no., applicable standard, etc.
7. Certificate will be uploaded on MOIAT website within two days after issuance of certificate.
